TRUST CERTIFICATES AND ISSUANCE THEREOF

SECTION 2.01. *Issuance of Trust Certificates.* An amount equal to the proceeds of the sale of any of the Trust Certificates, but not less than the aggregate principal amount thereof, shall, forthwith upon the issuance thereof, be deposited in cash with the Trustee by or on behalf of the Company. The amount of such proceeds shall be specified in an Officer's Certificate delivered to the Trustee concurrently with such deposit.

Thereupon, without waiting for the recording or filing of this Agreement or of any other instrument respecting the Trust Equipment, the Trustee shall from time to time issue and deliver Trust Certificates in such aggregate principal amount and bearing such final maturity dates as the Company shall direct by Request.

Subject to the provisions of Section 2.06 of this Agreement, the aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee under this Section shall not exceed the sum of \$6,300,000, and the aggregate principal amount represented by all the Trust Certificates shall be payable as hereinafter set forth.

SECTION 2.02. *Interests Represented by Trust Certificates; Dividends; Maturity.* Each of the Trust Certificates shall represent an interest in the amount therein specified in the trust created hereunder. The aggregate principal amount of the Trust Certificates will be payable in consecutive equal annual instalments on March 15 in each of the years 1973 through 1987. Payments of principal of individual Trust Certificates may be made on one or more instalment dates as specified therein. The Trust Certificates will bear dividends on the unpaid principal amounts thereof, payable on September 15 and March 15 of each year, commencing September 15, 1972, at the rate of 7½% per annum in respect of the Trust Certificates as to which annual instalments of principal will be payable in each of the years 1973 through 1977 and 8% per annum in respect of the Trust Certificates as to which annual instalments of principal will be payable in each of the years 1978 through 1987, with interest payable in each case on any overdue

principal and dividends, to the extent legally enforceable, at the rate of 9% per annum. The Trust Certificates are issuable in any denomination equal to or greater than \$25,000 or, with the consent of the Company, in any denomination less than \$25,000.

The principal of and dividends on the Trust Certificates shall be payable at the Corporate Trust Office in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts, but only from and out of rentals or other moneys received by the Trustee and applicable to such payment under the provisions hereof. Notwithstanding the provisions of the preceding sentence of this paragraph, in the case of payments of principal and dividends to be made on a Trust Certificate not then to be paid in full, upon request and deposit of an agreement of the holder of such Trust Certificate (the responsibility of such holder to be satisfactory to the Company) obligating such holder, prior to any transfer or other disposition thereof, to surrender the same to the Trustee for notation thereon of the instalments of principal amount represented thereby theretofore paid in whole or in part, the Trustee will mail its check on the date each such payment is due to such registered holder at his address shown on the registry books maintained by the Trustee; *provided, however*, that this paragraph shall not apply to any of the original purchasers of the Trust Certificates who, at the time payments of principal or dividends are to be made, are holders of Trust Certificates, and the Company may direct the Trustee by Request to make payments of principal and dividends to the original purchasers of Trust Certificates or to any other purchaser approved by the Company by check or wire of immediately available funds (to the extent the Company makes such funds available to the Trustee) at their "home office" address which address shall be supplied to the Trustee by the Company.

SECTION 2.03. *Forms of Trust Certificates and Guaranty.* The Trust Certificates and the guaranty to be endorsed on the Trust Certificates by the Company, Equipment Co. and Railco as provided in Section 6.01 shall be in substantially the forms hereinbefore set forth.

SECTION 2.04. *Execution by Trustee.* The Trust Certificates shall be signed in the name and on behalf of the Trustee by the manual or facsimile signature of its President or one of its Vice Presidents and

its corporate seal or a facsimile thereof shall be affixed or imprinted thereon and attested by the manual signature of one of its Trust Officers. In case any officer of the Trustee whose signature, whether facsimile or not, shall appear on any of the Trust Certificates shall cease to be such officer of the Trustee before the Trust Certificates shall have been issued and delivered by the Trustee or shall not have been acting in such capacity on the date of the Trust Certificates, such Trust Certificates may be adopted by the Trustee and be issued and delivered as though such person had not ceased to be or had then been such officer of the Trustee.

SECTION 2.05. *Characteristics of Trust Certificates.*

(a) The Trust Certificates shall be registered, as to both principal and dividends, in the name of the holder; shall be transferable in whole or in part and exchangeable for Trust Certificates of other denominations of equal aggregate outstanding principal amount and of the same maturities, upon presentation and surrender thereof for registration of transfer or exchange at the Corporate Trust Office, accompanied, in the case of transfer, by appropriate instruments of assignment and transfer, duly executed by the registered holder of the surrendered Trust Certificate or Certificates or by duly authorized attorney, in form satisfactory to the Trustee; shall, in connection with the initial issuance of Trust Certificates, be dated as of the date of issue and shall, in connection with Trust Certificates issued in exchange for or upon registration of transfer of another Trust Certificate or Certificates, be dated as of the date to which dividends have been paid or shall, if no dividends have been paid thereon, be dated as of the date of initial issuance; and shall entitle the registered holder to dividends from the date thereof. The Trustee shall, if any prepayment shall theretofore have been made pursuant to Section 4.08, endorse on each Trust Certificate issued upon registration of transfer or exchange a notation thereon as to the fact that the instalments of principal thereon will be payable in equal annual instalments except for specified instalments which will not be in equal amounts.

(b) Anything contained herein to the contrary notwithstanding, prior to due presentment for registration of transfer the parties hereto

may deem and treat the registered holder of any Trust Certificate as the absolute owner of such Trust Certificate for all purposes and shall not be affected by any notice to the contrary.

(c) The Trustee shall cause to be kept at the Corporate Trust Office books for the registration and registration of transfer of the Trust Certificates and, upon presentation of the Trust Certificates for such purpose, the Trustee shall register any transfer as hereinabove provided, and under such reasonable regulations as it may prescribe.

(d) For any registration, registration of transfer or exchange, the Trustee shall require payment by the person requesting same of a sum sufficient to reimburse it for any governmental charge connected therewith.

(e) Each Trust Certificate delivered pursuant to any provision of this Agreement in exchange for, or upon the registration of transfer of the whole or any part, as the case may be, of one or more other Trust Certificates shall carry all the rights to principal and to dividends accrued and unpaid and to accrue, which were carried by the whole or such part, as the case may be, of such one or more other Trust Certificates, and, notwithstanding anything contained in this Agreement, such Trust Certificate shall be so dated that neither gain nor loss in dividends or principal shall result from such exchange, substitution or registration of transfer.

(f) The Trustee shall not be required to issue, transfer or exchange Trust Certificates for a period of ten days next preceding any dividend payment date.

SECTION 2.06. *Replacement of Lost Trust Certificates.* In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth, and not otherwise, the Trustee shall execute and deliver a new Trust Certificate of like tenor and date, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancelation of, the mutilated or defaced Trust Certificate, or in lieu of and in substitution for the same if lost, destroyed or stolen. “TITLE TO THIS CAR SUBJECT TO DOCUMENTS RECORDED
UNDER SECTION 20C OF INTERSTATE COMMERCE ACT”.

Such marks shall be such as to be readily visible. The Company will also promptly so mark each unit of the Trust Equipment not subject to an Existing Lease.

In case, prior to the termination of the lease provided for in this Article Four, any of such marks shall at any time be removed, defaced or destroyed, the Company shall cause the same to be restored or replaced. The Company shall not change, or permit to be changed, the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee and which shall be filed and recorded by the Company in like manner as this Agreement.

The Trust Equipment may be lettered in an appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be lettered, in case of any of the Existing Leases or of any new leases permitted by Section 4.09, in such manner as may be appropriate for convenience of identification of such leasehold interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might reasonably be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

The amount of such proceeds shall be specified in an Officer's Certificate delivered to the Trustee concurrently with such deposit.

Thereupon, without waiting for the recording or filing of this Agreement or of any other instrument respecting the Trust Equipment, the Trustee shall from time to time issue and deliver Trust Certificates in such aggregate principal amount and bearing such final maturity dates as the Company shall direct by Request.

Subject to the provisions of Section 2.06 of this Agreement, the aggregate principal amount of Trust Certificates which shall be executed and delivered by the Trustee under this Section shall not exceed the sum of \$6,300,000, and the aggregate principal amount represented by all the Trust Certificates shall be payable as hereinafter set forth.

principal and dividends, to the extent legally enforceable, at the rate of 9% per annum. The Trust Certificates are issuable in any denomination equal to or greater than \$25,000 or, with the consent of the Company, in any denomination less than \$25,000.

Notwithstanding the provisions of the preceding sentence of this paragraph, in the case of payments of principal and dividends to be made on a Trust Certificate not then to be paid in full, upon request and deposit of an agreement of the holder of such Trust Certificate (the responsibility of such holder to be satisfactory to the Company) obligating such holder, prior to any transfer or other disposition thereof, to surrender the same to the Trustee for notation thereon of the instalments of principal amount represented thereby theretofore paid in whole or in part, the Trustee will mail its check on the date each such payment is due to such registered holder at his address shown on the registry books maintained by the Trustee; *provided, however*, that this paragraph shall not apply to any of the original purchasers of the Trust Certificates who, at the time payments of principal or dividends are to be made, are holders of Trust Certificates, and the Company may direct the Trustee by Request to make payments of principal and dividends to the original purchasers of Trust Certificates or to any other purchaser approved by the Company by check or wire of immediately available funds (to the extent the Company makes such funds available to the Trustee) at their "home office" address which address shall be supplied to the Trustee by the Company.

SECTION 2.03. *Forms of Trust Certificates and Guaranty.* The Trust Certificates and the guaranty to be endorsed on the Trust Certificates by the Company, Equipment Co. and Railco as provided in Section 6.01 shall be in substantially the forms hereinbefore set forth.

SECTION 2.04. *Execution by Trustee.* The Trust Certificates shall be signed in the name and on behalf of the Trustee by the manual or facsimile signature of its President or one of its Vice Presidents and

its corporate seal or a facsimile thereof shall be affixed or imprinted thereon and attested by the manual signature of one of its Trust Officers. In case any officer of the Trustee whose signature, whether facsimile or not, shall appear on any of the Trust Certificates shall cease to be such officer of the Trustee before the Trust Certificates shall have been issued and delivered by the Trustee or shall not have been acting in such capacity on the date of the Trust Certificates, such Trust Certificates may be adopted by the Trustee and be issued and delivered as though such person had not ceased to be or had then been such officer of the Trustee.

SECTION 2.05. *Characteristics of Trust Certificates.*

(a) The Trust Certificates shall be registered, as to both principal and dividends, in the name of the holder; shall be transferable in whole or in part and exchangeable for Trust Certificates of other denominations of equal aggregate outstanding principal amount and of the same maturities, upon presentation and surrender thereof for registration of transfer or exchange at the Corporate Trust Office, accompanied, in the case of transfer, by appropriate instruments of assignment and transfer, duly executed by the registered holder of the surrendered Trust Certificate or Certificates or by duly authorized attorney, in form satisfactory to the Trustee; shall, in connection with the initial issuance of Trust Certificates, be dated as of the date of issue and shall, in connection with Trust Certificates issued in exchange for or upon registration of transfer of another Trust Certificate or Certificates, be dated as of the date to which dividends have been paid or shall, if no dividends have been paid thereon, be dated as of the date of initial issuance; and shall entitle the registered holder to dividends from the date thereof. The Trustee shall, if any prepayment shall theretofore have been made pursuant to Section 4.08, endorse on each Trust Certificate issued upon registration of transfer or exchange a notation thereon as to the fact that the instalments of principal thereon will be payable in equal annual instalments except for specified instalments which will not be in equal amounts.

(b) Anything contained herein to the contrary notwithstanding, prior to due presentment for registration of transfer the parties hereto

may deem and treat the registered holder of any Trust Certificate as the absolute owner of such Trust Certificate for all purposes and shall not be affected by any notice to the contrary.

(c) The Trustee shall cause to be kept at the Corporate Trust Office books for the registration and registration of transfer of the Trust Certificates and, upon presentation of the Trust Certificates for such purpose, the Trustee shall register any transfer as hereinabove provided, and under such reasonable regulations as it may prescribe.

(d) For any registration, registration of transfer or exchange, the Trustee shall require payment by the person requesting same of a sum sufficient to reimburse it for any governmental charge connected therewith.

(e) Each Trust Certificate delivered pursuant to any provision of this Agreement in exchange for, or upon the registration of transfer of the whole or any part, as the case may be, of one or more other Trust Certificates shall carry all the rights to principal and to dividends accrued and unpaid and to accrue, which were carried by the whole or such part, as the case may be, of such one or more other Trust Certificates, and, notwithstanding anything contained in this Agreement, such Trust Certificate shall be so dated that neither gain nor loss in dividends or principal shall result from such exchange, substitution or registration of transfer.

(f) The Trustee shall not be required to issue, transfer or exchange Trust Certificates for a period of ten days next preceding any dividend payment date.

SECTION 2.06. *Replacement of Lost Trust Certificates.* In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth, and not otherwise, the Trustee shall execute and deliver a new Trust Certificate of like tenor and date, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancelation of, the mutilated or defaced Trust Certificate, or in lieu of and in substitution for the same if lost, destroyed or stolen. deliver to its lessees the appropriate form of stencil for marking purposes and will forthwith exercise its rights and powers under the Existing Leases to direct such lessees thereunder to mark plainly, distinctly, permanently and conspicuously on each side of each unit of the Trust Equipment, in letters not less than one inch in height the following legend:

"TITLE TO THIS CAR SUBJECT TO DOCUMENTS RECORDED
UNDER SECTION 20C OF INTERSTATE COMMERCE ACT".

Such marks shall be such as to be readily visible. The Company will also promptly so mark each unit of the Trust Equipment not subject to an Existing Lease.

In case, prior to the termination of the lease provided for in this Article Four, any of such marks shall at any time be removed, defaced or destroyed, the Company shall cause the same to be restored or replaced. The Company shall not change, or permit to be changed, the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee and which shall be filed and recorded by the Company in like manner as this Agreement.

The Trust Equipment may be lettered in an appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be lettered, in case of any of the Existing Leases or of any new leases permitted by Section 4.09, in such manner as may be appropriate for convenience of identification of such leasehold interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might reasonably be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

SECTION 4.08. *Maintenance of Trust Equipment; Casualty Occurrences.* The Company agrees that it will maintain or cause to be maintained and keep all the Trust Equipment in good order and proper repair at no cost or expense to the Trustee, unless and until it becomes worn out, unsuitable for use, lost, destroyed or damaged beyond economical repair (hereinafter called a Casualty Occurrence). Whenever any unit of the Trust Equipment shall suffer a Casualty Occurrence the Company shall, within 30 days after it shall have been informed of such Casualty Occurrence, deliver to the Trustee an Officer's Certificate describing such Trust Equipment and stating the value to the Company thereof as of the date such Trust Equipment suffered such Casualty Occurrence. When the total value of all units of the Trust Equipment having suffered a Casualty Occurrence (exclusive of units having suffered a Casualty Occurrence in respect of which a payment shall have been made to the Trustee pursuant to this Section) shall exceed \$50,000, the Company, within 30 days of such event, shall deposit with the Trustee an amount in cash equal to the value of such units as of the date of the Casualty Occurrence in respect of each thereof. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of such Casualty Occurrence. For all purposes of this paragraph, value shall be determined in the manner provided in subparagraph (1) of the last paragraph of Section 4.06. Cash deposited with the Trustee pursuant to this Section shall be held and applied at the election of the Company (as evidenced by a Request) either (i) as provided in the fourth paragraph of Section 4.06 or (ii) to prepay instalments of principal *pro rata* on each Trust Certificate in the inverse order of the respective maturities thereof.

In the event the Company elects to apply moneys deposited pursuant to this Section to the prepayment of instalments of principal in the inverse order of the respective maturity of each Trust Certificate, such prepayment shall be made on the March 15 next succeeding the Request therefor and shall be allocated by the Trustee among the registered holders of all the Trust Certificates the maturities of which are to be prepaid, as near as may be, in proportion to the respective

unpaid principal amount of such maturities represented by such Trust Certificates.

The Company agrees to furnish to the Trustee, on or before April 1 in each year commencing with 1974, an Officer's Certificate dated as of the preceding December 31, (1) stating the amount, description and numbers of all Trust Equipment that may have suffered a Casualty Occurrence since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), (2) identifying the units of Trust Equipment then being leased by the Company as permitted by Section 4.09 (including the name of the lessee, the term of the lease and the date of the agreement pursuant to which such Trust Equipment is leased) and specifying which units of Equipment are not then being leased by the Company and (3) certifying that the Company is not in default under any provision of this Agreement and that no default has occurred and is continuing under any Existing Lease or any other lease assigned to the Trustee pursuant to Section 4.09, or specifying all such defaults and the action being taken by the Company to remedy the same.

SECTION 4.09. *Possession of Trust Equipment.* Except as provided in this Section, the Company will not assign or transfer its rights hereunder, or transfer or lease the Trust Equipment or any part thereof, without the written consent of the Trustee first had and obtained; and the Company shall not, without such written consent, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a solvent corporation which shall acquire all or substantially all of the property of the Company and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates shall not be deemed a breach of this covenant.

So long as the Company shall not be in default under this Agreement, the Company shall be entitled to the possession of the Trust Equipment and also to maintain the Existing Leases and otherwise to lease the Trust Equipment to, or to permit its use by, a lessee or user

together with all rights, powers, privileges, and other benefits of the Company as lessor under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Company under or pursuant to the provisions of the Lease, the right to receive all proceeds from the sale of any unit of Trust Equipment payable to the Company pursuant to the Lessee's exercise of an option to purchase any such unit pursuant to the Lease, and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an event of default specified in the Lease, and to do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under the Lease; *provided, however*, that until an Event of Default under the Equipment Trust Agreement, or any event which with notice or lapse of time or both, could constitute such an Event of Default, shall occur, it is understood that the Company shall be entitled for the benefit of the Trustee to give all notices and to take all action upon the happening of an event of default specified in the Lease provided that the Trustee is first advised of such action proposed to be taken. In furtherance of the foregoing assignment, the Company hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of the Company or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Company is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

Until such time as, to the actual knowledge of the Trustee (obtained at its Corporate Trust Office as that term is defined in the Equipment Trust Agreement), the Company shall be in default under any provision of the Equipment Trust Agreement, the Company shall be entitled to receive all rentals, profits and other sums payable to or receivable by the Company under or pursuant to the provisions of the Lease (hereinafter called Rentals), except that the Company shall be entitled to receive proceeds from the sale of any unit of Trust Equipment payable to it pursuant to the Lessee's exercise of an option to purchase any such unit only upon compliance with the first paragraph of Section 4.06 of the Equipment Trust Agreement.

If, to the actual knowledge of the Trustee (obtained as provided above), the Company shall be in default under any provision of the Equipment Trust Agreement, the Company, during the continuance of such default, shall forthwith, upon written notice thereof from the

Trustee, direct the Lessee to pay all Rentals directly to the Trustee and the Company shall, if it receives the same, forthwith deposit the same with the Trustee, which payments shall be applied by the Trustee to the payment of all amounts then or thereafter due and payable under the Equipment Trust Agreement.

2. The assignment made hereby is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify the liability of the Company under the Lease, it being understood and agreed that notwithstanding such assignment or any subsequent assignment all obligations of the Company to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Company.

3. Upon the full discharge and satisfaction of the Liabilities, the assignment made hereby shall terminate, and all estate, right, title and interest of the Trustee in and to the Lease shall revert to the Company.

Upon transfer by the Trustee of title to any of the Units pursuant to Section 4.06 of the Equipment Trust Agreement, the Trustee shall execute and deliver to the Company a release or reassignment as to such Units.

4. The Company warrants and covenants that (a) the execution and delivery by the Company of the Lease and this Assignment have each been duly authorized, and the Lease and this Assignment are and will remain the valid and binding obligations of the Company in accordance with their terms; (b) the Company has not executed any other assignment of the Lease or of its right to receive all payments under the Lease and the Lease will continue to be free and clear of any and all claims, liens, agreements, security interests or other encumbrances (except this Assignment and except to the extent the Company is contesting the validity of the same in good faith by appropriate proceedings); (c) notwithstanding this Assignment, the Company will conform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by it and (d) to the knowledge of the Company, it has performed all obligations on its part to be performed under the Lease on or prior to the date hereof.

Unless the Lease is an Existing Lease (as defined in the Equipment Trust Agreement), the Company will, concurrently with the execution and delivery of this Assignment, deliver to the Trustee the opinion of Messrs. Rosenthal and Schanfield, counsel for the Company, or an opinion of other counsel satisfactory to the Trustee, to the effect set forth in subparagraph (e) of Section 3.04 of the Equipment Trust Agreement relating to the Assignment of the Lease.

5. The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee under the Lease for any Rental, or to enforce any provisions of the Lease, the Company will save, indemnify and keep the Trustee harmless from and against (a) all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever of the Lessee or its successors, arising out of a breach by the Company of any obligation under the Lease or arising out of any other indebtedness or liability at any time owing to the Lessee or its successors from the Company and (b) all liability, loss, expense or damage under or arising out of any provisions of the Lease. Any and all such obligations of the Company shall be and remain enforceable against the Company and shall not be enforceable against the Trustee or any party or parties in whom any of the rights of the Company under the Lease shall vest by reason of the successive assignments or transfers.

6. The Trustee may assign all or any of its rights under the Lease, including the right to receive any payments due or to become due to it from the Lessee thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder.

7. Notwithstanding anything to the contrary contained in Section 1 of this Assignment, the Company agrees that it will not, without the prior written consent of the Trustee, enter into any agreement amending, modifying or terminating the Lease and that any amendment,

modification or termination thereof, except as aforesaid without such consent shall be void. The Trustee shall consent to any such agreement if (a) it does not reduce the Rentals or the term or any other provision which the Trustee or its counsel deems to materially and adversely affect the security provided hereby or (b) the holders of more than 50% in aggregate unpaid principal amount of the Trust Certificates then outstanding consent in writing thereto.

8. This Assignment shall be governed by the laws of the State of Illinois, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the Company and the Trustee have caused this instrument to be signed in their respective names by their respective officers thereunto duly authorized, as of the date first above written.

deliver to its lessees the appropriate form of stencil for marking purposes and will forthwith exercise its rights and powers under the Existing Leases to direct such lessees thereunder to mark plainly, distinctly, permanently and conspicuously on each side of each unit of the Trust Equipment, in letters not less than one inch in height the following legend:

"TITLE TO THIS CAR SUBJECT TO DOCUMENTS RECORDED
UNDER SECTION 20C OF INTERSTATE COMMERCE ACT".

Such marks shall be such as to be readily visible. The Company will also promptly so mark each unit of the Trust Equipment not subject to an Existing Lease.

In case, prior to the termination of the lease provided for in this Article Four, any of such marks shall at any time be removed, defaced or destroyed, the Company shall cause the same to be restored or replaced. The Company shall not change, or permit to be changed, the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee and which shall be filed and recorded by the Company in like manner as this Agreement.

The Trust Equipment may be lettered in an appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be lettered, in case of any of the Existing Leases or of any new leases permitted by Section 4.09, in such manner as may be appropriate for convenience of identification of such leasehold interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might reasonably be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

SECTION 4.08. *Maintenance of Trust Equipment; Casualty Occurrences.* The Company agrees that it will maintain or cause to be maintained and keep all the Trust Equipment in good order and proper repair at no cost or expense to the Trustee, unless and until it becomes worn out, unsuitable for use, lost, destroyed or damaged beyond economical repair (hereinafter called a Casualty Occurrence). Whenever any unit of the Trust Equipment shall suffer a Casualty Occurrence the Company shall, within 30 days after it shall have been informed of such Casualty Occurrence, deliver to the Trustee an Officer's Certificate describing such Trust Equipment and stating the value to the Company thereof as of the date such Trust Equipment suffered such Casualty Occurrence. When the total value of all units of the Trust Equipment having suffered a Casualty Occurrence (exclusive of units having suffered a Casualty Occurrence in respect of which a payment shall have been made to the Trustee pursuant to this Section) shall exceed \$50,000, the Company, within 30 days of such event, shall deposit with the Trustee an amount in cash equal to the value of such units as of the date of the Casualty Occurrence in respect of each thereof. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of such Casualty Occurrence. For all purposes of this paragraph, value shall be determined in the manner provided in subparagraph (1) of the last paragraph of Section 4.06. Cash deposited with the Trustee pursuant to this Section shall be held and applied at the election of the Company (as evidenced by a Request) either (i) as provided in the fourth paragraph of Section 4.06 or (ii) to prepay instalments of principal *pro rata* on each Trust Certificate in the inverse order of the respective maturities thereof.

In the event the Company elects to apply moneys deposited pursuant to this Section to the prepayment of instalments of principal in the inverse order of the respective maturity of each Trust Certificate, such prepayment shall be made on the March 15 next succeeding the Request therefor and shall be allocated by the Trustee among the registered holders of all the Trust Certificates the maturities of which are to be prepaid, as near as may be, in proportion to the respective

unpaid principal amount of such maturities represented by such Trust Certificates.

The Company agrees to furnish to the Trustee, on or before April 1 in each year commencing with 1974, an Officer's Certificate dated as of the preceding December 31, (1) stating the amount, description and numbers of all Trust Equipment that may have suffered a Casualty Occurrence since the date of the last preceding statement (or the date of this Agreement in the case of the first statement), (2) identifying the units of Trust Equipment then being leased by the Company as permitted by Section 4.09 (including the name of the lessee, the term of the lease and the date of the agreement pursuant to which such Trust Equipment is leased) and specifying which units of Equipment are not then being leased by the Company and (3) certifying that the Company is not in default under any provision of this Agreement and that no default has occurred and is continuing under any Existing Lease or any other lease assigned to the Trustee pursuant to Section 4.09, or specifying all such defaults and the action being taken by the Company to remedy the same.

SECTION 4.09. *Possession of Trust Equipment.* Except as provided in this Section, the Company will not assign or transfer its rights hereunder, or transfer or lease the Trust Equipment or any part thereof, without the written consent of the Trustee first had and obtained; and the Company shall not, without such written consent, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment. An assignment or transfer to a solvent corporation which shall acquire all or substantially all of the property of the Company and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates shall not be deemed a breach of this covenant.

So long as the Company shall not be in default under this Agreement, the Company shall be entitled to the possession of the Trust Equipment and also to maintain the Existing Leases and otherwise to lease the Trust Equipment to, or to permit its use by, a lessee or user

SCHEDULE B

ASSIGNMENT OF LEASE AND AGREEMENT dated as of _____, 19____, by and between UNITED STATES RAILWAY LEASING COMPANY, an Illinois corporation (hereinafter called the Company), and CONTINENTAL ILLINOIS NATIONAL BANK AND TRUST COMPANY OF CHICAGO, as Trustee (hereinafter called the Trustee), under an Equipment Trust Agreement dated as of March 15, 1972 (hereinafter called the Equipment Trust Agreement), by and among the Trustee, the Company, United States Railway Equipment Co., an Illinois corporation (hereinafter called the Equipment Co.) and U. S. Railway Mfg. Co., an Illinois corporation (hereinafter called Railco).

WHEREAS, the Company and

(hereinafter called the Lessee) have entered into a Lease Agreement dated _____, 19____ (hereinafter called the Lease), providing for the leasing by the Company to the Lessee of the _____ units of railroad equipment (hereinafter called Units) described in the Lease, which has been filed and recorded with the Interstate Commerce Commission and bears Recordation Number _____, an executed counterpart of the Lease being delivered to the Trustee concurrently herewith; and

WHEREAS, this Assignment of Lease and Agreement is being made pursuant to Section 4.09 of the Equipment Trust Agreement to secure the payment and performance by the Company of all obligations arising under the Equipment Trust Agreement, including, but not limited to, the obligations arising under the guaranty endorsed or to be endorsed on the Equipment Trust Certificates issued or to be issued under the Equipment Trust Agreement (all such obligations being hereinafter called the Liabilities);

NOW, THEREFORE, in consideration of the sum of \$10 duly paid by the Trustee to the Company and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. As security for the payment and performance of the Liabilities, the Company hereby assigns, transfers, and sets over unto the Trustee all the Company's right, title and interests as lessor under the Lease,

together with all rights, powers, privileges, and other benefits of the Company as lessor under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Company under or pursuant to the provisions of the Lease, the right to receive all proceeds from the sale of any unit of Trust Equipment payable to the Company pursuant to the Lessee's exercise of an option to purchase any such unit pursuant to the Lease, and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an event of default specified in the Lease, and to do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under the Lease; *provided, however*, that until an Event of Default under the Equipment Trust Agreement, or any event which with notice or lapse of time or both, could constitute such an Event of Default, shall occur, it is understood that the Company shall be entitled for the benefit of the Trustee to give all notices and to take all action upon the happening of an event of default specified in the Lease provided that the Trustee is first advised of such action proposed to be taken. In furtherance of the foregoing assignment, the Company hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of the Company or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Company is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

Until such time as, to the actual knowledge of the Trustee (obtained at its Corporate Trust Office as that term is defined in the Equipment Trust Agreement), the Company shall be in default under any provision of the Equipment Trust Agreement, the Company shall be entitled to receive all rentals, profits and other sums payable to or receivable by the Company under or pursuant to the provisions of the Lease (hereinafter called Rentals), except that the Company shall be entitled to receive proceeds from the sale of any unit of Trust Equipment payable to it pursuant to the Lessee's exercise of an option to purchase any such unit only upon compliance with the first paragraph of Section 4.06 of the Equipment Trust Agreement.

If, to the actual knowledge of the Trustee (obtained as provided above), the Company shall be in default under any provision of the Equipment Trust Agreement, the Company, during the continuance of such default, shall forthwith, upon written notice thereof from the

Trustee, direct the Lessee to pay all Rentals directly to the Trustee and the Company shall, if it receives the same, forthwith deposit the same with the Trustee, which payments shall be applied by the Trustee to the payment of all amounts then or thereafter due and payable under the Equipment Trust Agreement.

2. The assignment made hereby is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify the liability of the Company under the Lease, it being understood and agreed that notwithstanding such assignment or any subsequent assignment all obligations of the Company to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Company.

3. Upon the full discharge and satisfaction of the Liabilities, the assignment made hereby shall terminate, and all estate, right, title and interest of the Trustee in and to the Lease shall revert to the Company.

Upon transfer by the Trustee of title to any of the Units pursuant to Section 4.06 of the Equipment Trust Agreement, the Trustee shall execute and deliver to the Company a release or reassignment as to such Units.

4. The Company warrants and covenants that (a) the execution and delivery by the Company of the Lease and this Assignment have each been duly authorized, and the Lease and this Assignment are and will remain the valid and binding obligations of the Company in accordance with their terms; (b) the Company has not executed any other assignment of the Lease or of its right to receive all payments under the Lease and the Lease will continue to be free and clear of any and all claims, liens, agreements, security interests or other encumbrances (except this Assignment and except to the extent the Company is contesting the validity of the same in good faith by appropriate proceedings); (c) notwithstanding this Assignment, the Company will conform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by it and (d) to the knowledge of the Company, it has performed all obligations on its part to be performed under the Lease on or prior to the date hereof.

Unless the Lease is an Existing Lease (as defined in the Equipment Trust Agreement), the Company will, concurrently with the execution and delivery of this Assignment, deliver to the Trustee the opinion of Messrs. Rosenthal and Schanfield, counsel for the Company, or an opinion of other counsel satisfactory to the Trustee, to the effect set forth in subparagraph (e) of Section 3.04 of the Equipment Trust Agreement relating to the Assignment of the Lease.

5. The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee under the Lease for any Rental, or to enforce any provisions of the Lease, the Company will save, indemnify and keep the Trustee harmless from and against (a) all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever of the Lessee or its successors, arising out of a breach by the Company of any obligation under the Lease or arising out of any other indebtedness or liability at any time owing to the Lessee or its successors from the Company and (b) all liability, loss, expense or damage under or arising out of any provisions of the Lease. Any and all such obligations of the Company shall be and remain enforceable against the Company and shall not be enforceable against the Trustee or any party or parties in whom any of the rights of the Company under the Lease shall vest by reason of the successive assignments or transfers.

6. The Trustee may assign all or any of its rights under the Lease, including the right to receive any payments due or to become due to it from the Lessee thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder.

7. Notwithstanding anything to the contrary contained in Section 1 of this Assignment, the Company agrees that it will not, without the prior written consent of the Trustee, enter into any agreement amending, modifying or terminating the Lease and that any amendment,

modification or termination thereof, except as aforesaid without such consent shall be void. The Trustee shall consent to any such agreement if (a) it does not reduce the Rentals or the term or any other provision which the Trustee or its counsel deems to materially and adversely affect the security provided hereby or (b) the holders of more than 50% in aggregate unpaid principal amount of the Trust Certificates then outstanding consent in writing thereto.

8. This Assignment shall be governed by the laws of the State of Illinois, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the Company and the Trustee have caused this instrument to be signed in their respective names by their respective officers thereunto duly authorized, as of the date first above written.

power conferred on the Trustee; *provided, however*, that the Trustee shall have the right to decline to follow any such direction (i) if the Trustee shall be advised by counsel that the action so directed may not lawfully be taken or (ii) if the Trustee shall be advised by counsel that the action so directed may involve it in personal liability. The Trustee may take any other action deemed proper by the Trustee which is not inconsistent with any such direction given hereunder.

SECTION 5.09. *Remedies Cumulative; Subject to Mandatory Requirements of Law.* The remedies in this Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity; and such remedies so provided in this Agreement shall be subject in all respects to any mandatory requirements of law at the time applicable thereto, to the extent such requirements may not be waived on the part of the Company.

ARTICLE SIX

ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY, EQUIPMENT CO. AND RAILCO

SECTION 6.01. *Guaranty of Company, Equipment Co. and Railco.* The Company, Equipment Co. and Railco jointly and severally unconditionally covenant, agree and guarantee that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin or currency of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Agreement (and, if not so paid, with interest thereon until paid at the rate of 9% per annum, to the extent legally enforceable), and shall receive dividends thereon in like money at the rate specified therein, at the times and place and otherwise as expressed in the Trust Certificates (and, if not so paid, with interest thereon until paid at the rate of 9% per annum, to the extent

legally enforceable); and the Company, Equipment Co. and Railco each agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, their joint and several guaranty of the prompt payment of the principal thereof and of the dividends thereon, in substantially the form hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company, Equipment Co. and Railco, each, by the manual or facsimile signature of its President, a Vice President or the Controller. In case any officer of the Company, Equipment Co. or Railco whose signature shall appear on said guaranty shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company, Equipment Co. and Railco as though the person who signed said guaranty had not ceased to be or had then been such officer.

Equipment Co. and Railco further jointly and severally unconditionally guarantee to the Trustee and the holders of the Trust Certificates the due and punctual performance of all undertakings and obligations of the Company under this Agreement and the Assignments (whether or not specifically named as obligors therein) and unconditionally guaranteed to the Trustee and the holders of the Trust Certificates that all sums payable by the Company under this Agreement will be promptly paid when due in accordance with the provisions of this Agreement and, in case of default by the Company in any such obligations or payment, Equipment Co. and Railco agree punctually to perform or pay the same, irrespective of any enforcement against the Company of any of the rights of the Trustee and the holders of the Trust Certificates under this Agreement. Equipment Co. and Railco hereby agree that their obligations hereunder and under the aforesaid guaranty on the Trust Certificates shall be unconditional, irrespective of the genuineness, validity, regularity or enforceability of this Agreement or any other circumstance which might otherwise constitute a legal or equitable discharge of a guarantor. No waiver by the Trustee or the holders of any of the Trust Certificates of any

of their rights hereunder or under the Trust Certificates and no action by the Trustee or the holders of any of the Trust Certificates to enforce any of their rights or failure to take, or delay in taking, any such action shall affect the obligations of Equipment Co. and Railco hereunder or under said guaranty of the Trust Certificates.

SECTION 6.02. *Discharge of Liens.* The Company covenants and agrees that it will pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien, charge, security interest or other encumbrance upon or against any of the Trust Equipment; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect. If the Company does not forthwith pay and discharge, or cause to be paid and discharged, or make adequate provision for the satisfaction or discharge of, any such debt, tax, charge, assessment, obligation or claim as required by this Section, the Trustee may, but shall not be obligated to, pay and discharge the same and any amount so paid shall be secured by and under this Agreement until reimbursed by the Company.

SECTION 6.03. *Recording.* The Company will, promptly after the execution and delivery of this Agreement (and of each Existing Lease and any other lease required by Section 4.09 and each Assignment of such leases) and each supplement or amendment hereto or thereto, respectively, cause the same to be duly filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act and duly filed, recorded or deposited in the office of the Registrar General of Canada, if permitted, and the Company shall cause to be duly published any required notice of such filing, recording or deposit. The Company will from time to time do

and perform any other act and will execute, acknowledge, deliver, file, register and record and will refile, reregister and rerecord any and all further instruments required by law or reasonably requested by the Trustee for the purposes of other protection of the title of the Trustee and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Agreement and the intent hereof.

Promptly after the execution and delivery of this Agreement and of each Assignment, and of each supplement or amendment hereto or thereto, the Company will furnish to the Trustee an Opinion of Counsel stating that, in the opinion of such counsel, such document or financing statement relating to such document has been properly deposited, filed, registered and recorded and redeposited, refiled, reregistered and rerecorded, if necessary, so as effectively to protect the title of the Trustee to the Trust Equipment and its interests in such Existing Lease or other lease so assigned and its rights and the rights of the holders of the Trust Certificates hereunder and thereunder and reciting the details of such action.

Nothing contained in this Section shall require the deposit, filing, registration or recording, or the redeposit, refile, reregistration or rerecording of this Agreement or any Assignment or any supplement or amendment hereto or thereto in any public office in Canada, except only the deposit in the office of the Registrar General of Canada of Existing Leases or other leases and amendments thereto and Assignments made with Canadian railway companies.

SECTION 6.04. *Further Assurances.* The Company, Equipment Co. and Railco each covenants and agrees from time to time to do all such acts and execute all such instruments of further assurance as it shall be reasonably requested by the Trustee to do or execute for the purpose of fully carrying out and effectuating this Agreement and the intent hereof.

SECTION 6.05. *Merger or Consolidation.* The Company, Equipment Co. and Railco each covenants and agrees that in the eventuality that it should merge or consolidate with another corporation, the survivor of such merger or consolidation shall be a solvent corporation

organized under the laws of the United States of America or a state thereof or the District of Columbia and such survivor (if not the Company or Equipment Co. or Railco, as the case may be) shall assume all the obligations and liabilities of the Company, Equipment Co. or Railco, as the case may be, hereunder and as guarantor of the Trust Certificates.

ARTICLE SEVEN

CONCERNING THE HOLDERS OF TRUST CERTIFICATES

SECTION 7.01. *Evidence of Action Taken by Holders of Trust Certificates.* Whenever in this Agreement it is provided that the holders of a specified percentage in aggregate unpaid principal amount of the Trust Certificates may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the holders of such specified percentage have joined therein may be evidenced by any instrument or any number of instruments of similar tenor executed by holders of Trust Certificates in person or by agent or proxy appointed in writing.

SECTION 7.02. *Proof of Execution of Instruments and of Holding of Trust Certificates.* Proof of the execution of any instrument by a holder of Trust Certificates or his agent or proxy and proof of the holding by any person of any of the Trust Certificates shall be sufficient if made in the following manner :

The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction within the United States of America authorized to take acknowledgments of deeds to be recorded in such jurisdiction that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the person executing the same.

The ownership of Certificates may be proved by the register of such Trust Certificates or by a certificate of the registrar thereof.

SECTION 7.03. *Trust Certificates Owned by Company.* In determining whether the holders of the requisite unpaid principal amount of the Trust Certificates have concurred in any direction, request or consent under this Agreement, Trust Certificates which are owned by the Company or by any other obligor on the Trust Certificates or by an Affiliate of the Company or any such other obligor shall be disregarded, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, request or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

SECTION 7.04. *Right of Revocation of Action Taken.* At any time prior to (but not after) the evidencing to the Trustee, as provided in Section 7.01, of the taking of any action by the holders of the percentage in aggregate unpaid principal amount of the Trust Certificates specified in this Agreement in connection with such action, any holder of a Trust Certificate the serial number of which is shown by the evidence to be included in the Trust Certificates the holders of which have consented to such action may, by filing written notice with the Trustee at its Corporate Trust Office and upon proof of holding as provided in Section 7.02, revoke such action in so far as concerns such Trust Certificate. Except as aforesaid any such action taken by the holder of any Trust Certificate shall be conclusive and binding upon such holder and upon all future holders and owners of such Trust Certificate and of any Trust Certificate issued in exchange or substitution therefor, irrespective of whether or not any notation in regard thereto is made upon such Trust Certificate. Any action taken by the holders of the percentage in aggregate unpaid principal amount of the Trust Certificates specified in this Agreement in connection with such action shall be conclusive and binding upon the Company, Equipment Co. and Railco, the Trustee and the holders of all the Trust Certificates subject to the provisions of Section 5.08.

ARTICLE EIGHT

THE TRUSTEE

SECTION 8.01. *Acceptance of Trust.* The Trustee hereby accepts the trust imposed upon it by this Agreement, and covenants and agrees to perform the same as herein expressed.

SECTION 8.02. *Duties and Responsibilities of the Trustee.* In case an Event of Default has occurred (which has not been cured), the Trustee shall exercise such of the rights and powers vested in it by this Agreement, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its wilful misconduct, except that

(a) prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred:

(1) the duties and obligations of the Trustee shall be determined solely by the express provisions of this Agreement, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Trustee; and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(b) the Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; *provided, however*, that the foregoing provisions of this subparagraph (b) shall not excuse the Trustee from liability for its action or inaction which was contrary to the express provisions of this Agreement;

(c) the Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with the direction of the holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement;

(d) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, Trust Certificate, guaranty or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(e) the Trustee may consult with counsel and any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with such Opinion of Counsel;

(f) the Trustee shall be under no obligation to exercise any of its rights or powers vested in it by this Agreement at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Agreement, unless such holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred therein or thereby; and

(g) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement.

None of the provisions contained in this Agreement shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 8.03. *Application of Rentals.* The Trustee covenants and agrees to apply the rentals received by it under Section 4.04(B) when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, for the purposes specified in Section 4.04(B).

The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Agreement until fully indemnified by the Company or by one or more holders of the Trust Certificates against all liability and expenses; and the Trustee shall not be responsible for the filing or recording or refiling or re-recording of this Agreement or of any supplement hereto or statement of new numbers or any Assignments or any other statement or document that may be permitted or required to be filed, recorded, refilled or rerecorded in any jurisdiction to protect or perfect any of the security interests contemplated hereby.

SECTION 8.04. *Funds May be Held by Trustee; Investments.* Any money at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on non-interest bearing deposit with itself.

At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Section 4.06 or Section 4.08 (hereinafter in this

Section called Replacement Funds) in Investments, at such prices, including any premium and accrued interest, as are set forth in such Request, such Investments to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against acceptance of Trust Equipment, sell such Investments, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investments, including accrued interest.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 4.04(B)(1), an amount equal to any expenses incurred in connection with any purchase or sale of Investments and also an amount equal to any loss of principal incident to the sale or redemption of any Investments for a sum less than the amount paid therefor, including accrued interest.

Until such time as, to the actual knowledge of the Trustee (obtained at its Corporate Trust Office), the Company shall be in default under the terms hereof, the Company shall be entitled to receive any interest (in excess of accrued interest paid from Deposited Cash or Replacement Funds at the time of purchase) or other profit which may be realized from any sale or redemption of Investments.

SECTION 8.05. *Trustee Not Liable for Delivery Delays or Defects in Equipment or Title.* The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value thereof or in respect of the title thereto.

The Trustee may perform its powers and duties hereunder by or through such attorney and agents as it shall appoint, and shall be

answerable only for its own negligent acts, negligent failures to act and wilful misconduct and not for the default or misconduct of any attorney or agent appointed by it with reasonable care. The Trustee shall not be responsible in any way for the recitals herein contained or for the execution or validity of this Agreement, the Existing Leases or any other lease assigned to the Trustee hereunder or the Assignments, or of the Trust Certificates (except for its own execution thereof) or for the guaranty by the Company, Equipment Co. or Railco.

The Trustee shall be entitled to receive payment of all of its expenses and disbursements hereunder, including reasonable counsel fees, and to receive reasonable compensation for all services rendered by it in the execution of the trust hereby created, all of which shall be paid by the Company.

The Trustee in its individual capacity may own, hold and dispose of Trust Certificates.

Any moneys at any time held by the Trustee or any paying agent hereunder shall, until paid out or invested by the Trustee or any paying agent as herein provided, be held by it in trust as herein provided for the benefit of the holders of the Trust Certificates.

SECTION 8.06. *Resignation and Removal; Appointment of Successor Trustee.*

(a) The Trustee may resign and be discharged of the trust created by this Agreement by giving 30 days' written notice to the Company and such resignation shall take effect upon the expiration of 30 days after the delivery thereof to the Company or upon receipt by the Trustee of an instrument of acceptance executed by a successor trustee, whichever shall first occur, as hereinafter provided in this Section.

(b) The Trustee may be removed at any time by an instrument in writing signed by the holders of a majority in aggregate unpaid principal amount of the Trust Certificates then outstanding, delivered to the Trustee and to the Company.

(c) If at any time the Trustee shall resign or be removed or otherwise become incapable of acting or, if at any time a vacancy shall occur in the office of the Trustee for any other cause, a successor trustee may be appointed by the holders of a majority in aggregate unpaid principal amount of the then outstanding Trust Certificates by an instrument in writing delivered to the Company and the Trustee. Until a successor trustee shall be appointed by the holders of Trust Certificates as herein authorized, the Company by an instrument in writing executed by order of its board of directors shall appoint a trustee to fill such vacancy. A successor trustee so appointed by the Company shall immediately and without further act be superseded by a successor trustee appointed by the holders of Trust Certificates in the manner provided above if such appointment is made within one year after completion of the notice, in the manner provided in the next succeeding paragraph, of the appointment of a successor trustee by the Company. Every successor trustee appointed pursuant to this Section shall be a national bank or a bank or trust company incorporated under the laws of the United States of America or the State of New York, the State of Illinois, or the State of California, having its principal office in the City of New York, the City of Chicago or the City and County of San Francisco, and having a capital and surplus of not less than \$50,000,000, if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

(d) The Company shall give notice to the holders of all outstanding Trust Certificates of each resignation or removal of the then Trustee and of each appointment by the Company of a successor trustee pursuant to this Section by mailing written notice of such event by first-class mail, postage prepaid.

SECTION 8.07. *Acceptance of Appointment by Successor Trustee.* Any successor trustee appointed as provided in Section 8.06 shall execute, acknowledge and deliver to the Company and to its predecessor trustee an instrument accepting such appointment hereunder, and, subject to the provisions of Section 8.06(a) thereupon the resignation

or removal of the predecessor trustee shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named as Trustee herein; but, nevertheless, on the Request of the Company or written request of the successor trustee, upon payment of its charges then unpaid, the trustee ceasing to act shall execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon written request of any such successor trustee, the Company shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 8.05.

SECTION 8.08. *Merger or Consolidation of Trustee.* Any corporation into which the Trustee may be merged or converted or with which it may be consolidated or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party shall be the successor of the Trustee hereunder, provided such corporation shall be qualified under the provisions of Section 8.06, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 8.09. *Return of Certain Moneys to Company.* Notwithstanding any provision of this Agreement, any moneys paid to the Trustee which are applicable to the payment of the principal of, or dividends on, any Trust Certificates which remain unclaimed for five years after the day when such moneys were due and payable shall then be repaid to the Company upon Request, and the holders of such Trust Certificates shall thereafter be entitled to look only to the Company for payment thereof and all liability of the Trustee with respect to such moneys shall thereupon cease; *provided, however*, that before the

repayment of such moneys to the Company as aforesaid, the Trustee may first publish a notice, in such form as may be deemed appropriate by the Trustee, in respect of the Trust Certificates so payable and not presented and in respect of the provisions hereof relating to the repayment to the Company of the moneys held for the payment thereof.

ARTICLE NINE

MISCELLANEOUS

SECTION 9.01. *Rights Confined to Parties and Holders.* Nothing expressed or implied herein is intended or shall be construed to confer upon or to give to any person, firm or corporation, other than the parties hereto and the holders of the Trust Certificates, any right, remedy or claim under or by reason of this Agreement or of any term, covenant or condition hereof, and all the terms, covenants, conditions, promises and agreements contained herein shall be for the sole and exclusive benefits of the parties hereto and their successors and of the holders of the Trust Certificates.

SECTION 9.02. *No Recourse.* No recourse under any obligation, covenant or agreement of this Agreement, or of the guaranty endorsed on any Trust Certificate, shall be had against any incorporator, stockholder, officer or director, past, present or future, of the Company, Equipment Co. or Railco, as such, solely by reason of the fact that such person is an incorporator, stockholder, officer or director, whether by virtue of any constitutional provision, statute or rule of law or by the enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, or incorporators, stockholders, officers or directors being forever released as a condition of and as consideration for the execution of this Agreement.

A. Clark, Assistant Secretary, or such other address as may hereafter be furnished to the Company, Equipment Co. or Railco in writing by the Trustee. An affidavit by any person representing or acting on behalf of the Company or the Trustee, as to such mailing, having the registry receipt attached, shall be conclusive evidence of the giving of such demand, notice or communication.

SECTION 9.05. *Effect of Headings.* The Article and Section headings herein are for convenience only and shall not affect the construction hereof.

SECTION 9.06. *Date Executed.* This Agreement shall be deemed to have been executed on the date of the acknowledgment thereof by the officer of the Trustee who signed it on behalf of the Trustee.

SECTION 9.07. *Illinois Law Governs.* The provisions of this Agreement, and all the rights and obligations of the parties hereunder, shall be governed by the laws of the State of Illinois.

IN WITNESS WHEREOF, the Company, Equipment Co., Railco and the Trustee have caused their names to be signed hereto by their respective officers thereunto duly authorized and their respective cor-

SCHEDULE B

ASSIGNMENT OF LEASE AND AGREEMENT dated as of _____, 19____, by and between UNITED STATES RAILWAY LEASING COMPANY, an Illinois corporation (hereinafter called the Company), and CONTINENTAL ILLINOIS NATIONAL BANK AND TRUST COMPANY OF CHICAGO, as Trustee (hereinafter called the Trustee), under an Equipment Trust Agreement dated as of March 15, 1972 (hereinafter called the Equipment Trust Agreement), by and among the Trustee, the Company, United States Railway Equipment Co., an Illinois corporation (hereinafter called the Equipment Co.) and U. S. Railway Mfg. Co., an Illinois corporation (hereinafter called Railco).

WHEREAS, the Company and

(hereinafter called the Lessee) have entered into a Lease Agreement dated _____, 19____ (hereinafter called the Lease), providing for the leasing by the Company to the Lessee of the _____ units of railroad equipment (hereinafter called Units) described in the Lease, which has been filed and recorded with the Interstate Commerce Commission and bears Recordation Number _____, an executed counterpart of the Lease being delivered to the Trustee concurrently herewith; and

WHEREAS, this Assignment of Lease and Agreement is being made pursuant to Section 4.09 of the Equipment Trust Agreement to secure the payment and performance by the Company of all obligations arising under the Equipment Trust Agreement, including, but not limited to, the obligations arising under the guaranty endorsed or to be endorsed on the Equipment Trust Certificates issued or to be issued under the Equipment Trust Agreement (all such obligations being hereinafter called the Liabilities);

NOW, THEREFORE, in consideration of the sum of \$10 duly paid by the Trustee to the Company and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto agree as follows:

1. As security for the payment and performance of the Liabilities, the Company hereby assigns, transfers, and sets over unto the Trustee all the Company's right, title and interests as lessor under the Lease,

together with all rights, powers, privileges, and other benefits of the Company as lessor under the Lease, including, without limitation, the immediate right to receive and collect all rentals, profits and other sums payable to or receivable by the Company under or pursuant to the provisions of the Lease, the right to receive all proceeds from the sale of any unit of Trust Equipment payable to the Company pursuant to the Lessee's exercise of an option to purchase any such unit pursuant to the Lease, and the right to make all waivers and agreements, to give all notices, consents and releases, to take all action upon the happening of an event of default specified in the Lease, and to do any and all other things whatsoever which the Company, as lessor, is or may become entitled to do under the Lease; *provided, however*, that until an Event of Default under the Equipment Trust Agreement, or any event which with notice or lapse of time or both, could constitute such an Event of Default, shall occur, it is understood that the Company shall be entitled for the benefit of the Trustee to give all notices and to take all action upon the happening of an event of default specified in the Lease provided that the Trustee is first advised of such action proposed to be taken. In furtherance of the foregoing assignment, the Company hereby irrevocably authorizes and empowers the Trustee in its own name, or in the name of its nominee, or in the name of the Company or as its attorney, to ask, demand, sue for, collect and receive any and all sums to which the Company is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof.

Until such time as, to the actual knowledge of the Trustee (obtained at its Corporate Trust Office as that term is defined in the Equipment Trust Agreement), the Company shall be in default under any provision of the Equipment Trust Agreement, the Company shall be entitled to receive all rentals, profits and other sums payable to or receivable by the Company under or pursuant to the provisions of the Lease (hereinafter called Rentals), except that the Company shall be entitled to receive proceeds from the sale of any unit of Trust Equipment payable to it pursuant to the Lessee's exercise of an option to purchase any such unit only upon compliance with the first paragraph of Section 4.06 of the Equipment Trust Agreement.

If, to the actual knowledge of the Trustee (obtained as provided above), the Company shall be in default under any provision of the Equipment Trust Agreement, the Company, during the continuance of such default, shall forthwith, upon written notice thereof from the

Trustee, direct the Lessee to pay all Rentals directly to the Trustee and the Company shall, if it receives the same, forthwith deposit the same with the Trustee, which payments shall be applied by the Trustee to the payment of all amounts then or thereafter due and payable under the Equipment Trust Agreement.

2. The assignment made hereby is executed only as security and, therefore, the execution and delivery of this Assignment shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify the liability of the Company under the Lease, it being understood and agreed that notwithstanding such assignment or any subsequent assignment all obligations of the Company to the Lessee shall be and remain enforceable by the Lessee, its successors and assigns, against, and only against, the Company.

3. Upon the full discharge and satisfaction of the Liabilities, the assignment made hereby shall terminate, and all estate, right, title and interest of the Trustee in and to the Lease shall revert to the Company.

Upon transfer by the Trustee of title to any of the Units pursuant to Section 4.06 of the Equipment Trust Agreement, the Trustee shall execute and deliver to the Company a release or reassignment as to such Units.

4. The Company warrants and covenants that (a) the execution and delivery by the Company of the Lease and this Assignment have each been duly authorized, and the Lease and this Assignment are and will remain the valid and binding obligations of the Company in accordance with their terms; (b) the Company has not executed any other assignment of the Lease or of its right to receive all payments under the Lease and the Lease will continue to be free and clear of any and all claims, liens, agreements, security interests or other encumbrances (except this Assignment and except to the extent the Company is contesting the validity of the same in good faith by appropriate proceedings); (c) notwithstanding this Assignment, the Company will conform and comply with each and all of the covenants and conditions in the Lease set forth to be complied with by it and (d) to the knowledge of the Company, it has performed all obligations on its part to be performed under the Lease on or prior to the date hereof.

Unless the Lease is an Existing Lease (as defined in the Equipment Trust Agreement), the Company will, concurrently with the execution and delivery of this Assignment, deliver to the Trustee the opinion of Messrs. Rosenthal and Schanfield, counsel for the Company, or an opinion of other counsel satisfactory to the Trustee, to the effect set forth in subparagraph (e) of Section 3.04 of the Equipment Trust Agreement relating to the Assignment of the Lease.

5. The Company covenants and agrees with the Trustee that in any suit, proceeding or action brought by the Trustee under the Lease for any Rental, or to enforce any provisions of the Lease, the Company will save, indemnify and keep the Trustee harmless from and against (a) all expense, loss or damage suffered by reason of any defense, set-off, counterclaim or recoupment whatsoever of the Lessee or its successors, arising out of a breach by the Company of any obligation under the Lease or arising out of any other indebtedness or liability at any time owing to the Lessee or its successors from the Company and (b) all liability, loss, expense or damage under or arising out of any provisions of the Lease. Any and all such obligations of the Company shall be and remain enforceable against the Company and shall not be enforceable against the Trustee or any party or parties in whom any of the rights of the Company under the Lease shall vest by reason of the successive assignments or transfers.

6. The Trustee may assign all or any of its rights under the Lease, including the right to receive any payments due or to become due to it from the Lessee thereunder. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder.

7. Notwithstanding anything to the contrary contained in Section 1 of this Assignment, the Company agrees that it will not, without the prior written consent of the Trustee, enter into any agreement amending, modifying or terminating the Lease and that any amendment,

modification or termination thereof, except as aforesaid without such consent shall be void. The Trustee shall consent to any such agreement if (a) it does not reduce the Rentals or the term or any other provision which the Trustee or its counsel deems to materially and adversely affect the security provided hereby or (b) the holders of more than 50% in aggregate unpaid principal amount of the Trust Certificates then outstanding consent in writing thereto.

8. This Assignment shall be governed by the laws of the State of Illinois, but the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

IN WITNESS WHEREOF, the Company and the Trustee have caused this instrument to be signed in their respective names by their respective officers thereunto duly authorized, as of the date first above written.
